Dear Hoosier Lottery Retailers,

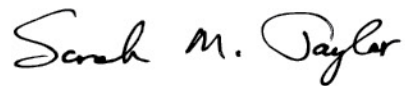

Happy New Year! Thank you for your continued support of the Hoosier Lottery as terrific ambassadors for our products. The mission of the Hoosier Lottery is to maximize revenues to the State of Indiana in a socially responsible manner. This is accomplished thanks to the hard work of our retailers and Hoosier Lottery staff. Fiscal Year 2025 sales resulted in \$340.6 million being returned to the State of Indiana to help fund good causes such as the Teachers' Retirement Fund, local police and firefighters' pensions, and the Lottery Surplus Fund.

Selling Hoosier Lottery games can create an additional revenue stream and help provide the edge you need to attract and retain customers. During Fiscal Year 2025, Hoosier Lottery retailers, like you, earned, in total, more than \$109M in commissions.

You may also know that this past year, the Hoosier Lottery celebrated our 35th anniversary. During this year-long celebration, I had the opportunity to meet with many of our long-term retailers, including some of those who have been with us since day one. We recognized these earliest retailers in this playbook as well as on our social media channels each month. Retailers will always be the core of our business and we thank all of you, especially those who have been with us for all 35 years.

I want to take this opportunity to thank each of you and your associates on a great year. We know that by allowing us to be a part of your successful business it gives our loyal players a place to play and win, which in turn helps contribute to Indiana's good causes. I'd like to wish you all continued success in 2026.

Sincerely,

Sarah M. Taylor
Executive Director
Hoosier Lottery

Retailer Success: Columbus Mobil

Mahendra Rajput is the proprietor of Columbus Mobil in East Chicago and has been a dedicated Hoosier Lottery retailer for over 25 years. During this period, the store has celebrated several notable wins, including a \$65.5 million Hoosier Lotto ticket in 2007. Columbus Mobil maintains a loyal customer base, many of whom specifically choose to purchase lottery tickets at this location. The staff consistently strives to deliver exceptional customer experiences, with particular attention to lottery services. While they prefer customers to use play slips, staff members are adaptable and will manually enter numbers if requested.

Mahendra's commitment to operational excellence is evident beyond day-to-day transactions. In May, he strategically installed a Gemini vending machine, resulting in a substantial impact on business. Scratch-off sales increased by over 50%, and overall lottery revenue grew by 23%. The addition of the vending machine has further enhanced the customer experience—an aspect Mahendra considers paramount. To support sustained growth, he ensures his team receives comprehensive training on both the terminal and the vending machine. The staff also regularly utilizes customer service resources, such as the hotline and QR code troubleshooting tools, to maintain seamless operations across selling locations.

Store owner, Mahendra Rajput, and
Sales Associate, Renee

Mahendra's achievements exemplify the qualities of a leading lottery retailer: meticulous attention to detail, adaptability, and a strong commitment to customer service. His receptivity to feedback and willingness to adopt new technologies underscore his leadership and drive for long-term success. At Columbus Mobil, the lottery is regarded not merely as a transaction but as an engaging customer experience, attributable to Mahendra and his dedicated team, which continues to foster customer loyalty.

Keep Lottery Play Fun!

As we ring in the New Year, it's a great time to remind players that lottery games are meant to be fun and entertaining. While it can be exciting to imagine winning a large payout, we must always remember and remind players, lottery games are designed for entertainment, not as a source of income. Encourage players to keep play positive and lottery play fun by following a few simple tips.

PLAY FOR FUN, NOT FOR FUNDS

Lottery play should be like going to a movie or a concert. It is a form of entertainment, not a way to make money.

SET A LIMIT AND STICK WITH IT

Encourage players to budget for what they can afford to lose. Setting a limit before play helps ensure lottery spend stays within their entertainment budget.

KNOW THE GAMES

Understanding how each game works and the odds of winning helps players make informed choices and keeps expectations realistic.

MIX IT UP

Remind customers that lottery tickets are just one form of entertainment. Balancing play with other hobbies helps keep the fun in perspective.

As a retailer, providing these simple reminders to players can make a lasting impact. Together, we can help ensure Hoosier Lottery games remain a fun and positive experience for all players.
