

Rules for the Powerball Xs & Os™ National Promotions Program
Offered on the Powerball® Official Website (PowerballOfficial.com)
and on the
Powerball® Official App*

OVERVIEW – Powerball Xs & Os Promotions
The Powerball Xs & Os lottery game offers additional ways to win various prizes when Players purchase and enter (manually or by scanning) information from a valid Powerball Xs & Os ticket on the Powerball Official Website or the Powerball Official App, and then selecting promotions which are available online, on mobile devices, and in certain jurisdictions, by mail-in vouchers**.

Players are required to establish an Account as provided below. Once the Account has been set up, Players can enter eligible Powerball Xs & Os tickets (Eligible Tickets), to receive Points which can be used as Entries to enter Promotional Drawings for chances to win various prizes. Anticipated prize categories may include gift cards, merchandise, NFL game tickets, and trip packages.

In jurisdictions where Players purchase Powerball Xs & Os tickets via iLottery, there will be no physical tickets to enter.

Once an iLottery Player has set up their Account, and links it to the respective iLottery account, the Player's purchases, starting on the day of linking and continuing, unless unlinked, will be added to their Account so the Player can accumulate Points and assign Entries accordingly. This process may take up to forty-eight (48) hours.

iLottery Players who do not set up an Account and link it to their iLottery account the same day of, or prior to a purchase will not receive Points for the Eligible Ticket purchase.

A Player's Account will display the number of Points earned from Eligible Ticket scans or manual entries. Players can decide which Drawings to enter. The number of Points to be used as Entries will correlate directly to the value of the Eligible Ticket scanned or manually entered. Entrants may experience promotional windows where the number of Entries is variable based on available multipliers offered on the Powerball Official App and/or the Powerball Official Website.

Up until the time provided on the Powerball Official Website or Powerball Official App for allocating Entries for a Promotional Drawing, Players can change which prize they would like a chance to win by reallocating any Entries previously assigned.

PRIZE AWARDS
Winners of Promotional Prizes must meet the following qualifications:

- Players' names selected via an official Promotional Drawing
- Players respond to all applicable deadline(s) associated with the prize
- Players have no offsets

Experiential and other prizing may require Players to sign release forms that waive their rights to anonymity in jurisdictions that allow for the same.

ELIGIBLE TICKETS
Only current Powerball Xs & Os Tickets will be Eligible Tickets and accepted into a Player's Account. Selling Lotteries, lottery vendors, lottery retailers, MUSL, and MUSL vendors will not be responsible for entering Eligible Tickets for any Account holder.

PROMOTIONAL PRIZES
To enter a Promotional Drawing, Players must create and log into their Account. Eligible Tickets are calculated as Points, which can be used to allocate Entries, for chances to win Promotional Prizes in various prize categories.

CLAIMING PRIZES
Winners of any Promotional Prize will be notified by email, text, or phone call. It is the Player's responsibility to provide and maintain current and correct contact information. Players who are randomly selected as winners of a Promotional Prize valued at $499 or less have 90 days from the day of the Promotional Drawing to Claim the Promotional Prize. Winners can Claim the Promotional Prize by accessing it under the "My Prizes" section on their Account or by clicking on the link sent by email on the day of the Promotional Drawing.

Winners of a Promotional Prize valued at $500 or more will find prize fulfillment requirements on the Powerball Official App, the Powerball Official Website, or the applicable Selling Lottery's website.

DEBT OFFSETS, TAXES, AND CLAIMS PROCESS***
No debt offsets will be performed on Promotional Prizes valued at $499 or less which are provided as a Digital Cash Card or Digital Gift Card.

Debt offsets, taxes, and other claims processes for prizes valued at more than $499 will undergo this procedure:

Players who live in a jurisdiction that offers the game:
Offsets, taxes, and other claims processes will be performed by the Selling Lottery located in the jurisdiction in which a Player resides, as established on their Account.

Players who live in a jurisdiction that does not offer the game, or that does not have a lottery:
Offsets, taxes, and other claims processes will be performed by the Selling Lottery that sold the Eligible Ticket last entered by the Player. In other words, the most recently entered Eligible Ticket will determine which Selling Lottery will perform the offset, taxes, and other claims processes.

Prizes that include trips to NFL games or other venues will have specific participation terms and conditions. Winners of a trip prize will need to be available for travel on certain dates, may be allowed one guest (with some restrictions) who will travel on the same itinerary, and will be required to fill out and sign certain documents, including but not limited to an appearance and liability release, emergency medical release, winner information form, and a background investigation form in some instances. Winners may have the option to designate a proxy to attend an event on the winners' behalf in certain jurisdictions. Notification timelines as

described in the Promotional Drawing and prize descriptions for the applicable Drawings will be provided in the app. Failure to comply with any notification or other requirements may result in forfeiture of the prize.

2. DESCRIPTION

A. The Powerball Xs & Os Promotion™ may offer gift cards, cash, merchandise, free plays to play a lottery game, travel/experiential trips, or other prizes as determined by the Selling Lotteries. Drawings for prizes will be held on a schedule as determined by the Selling Lotteries, and as provided on the Powerball Official App and the Powerball Official Website.

B. Players must set up an Account as defined in these rules to enter the Powerball Xs & Os Promotion*.

C. Once an Account has been established, a Player will scan or manually enter the barcode located on each Eligible Ticket or link the Account to their iLottery account as described above for iLottery purchases, to earn Points, which can then be used as Entries to the prize Drawing(s) they choose to enter.

3. ELIGIBILITY

A. To enter, an individual must create an Account on the Powerball Official Website: (www.PowerballOfficial.com) or on the Powerball Official App, provide all necessary information to complete a verified registration, and be of legal age to play the lottery in the state in which they reside, or, in the state in which they purchase a Powerball Xs & Os Game Eligible Ticket, and in either instance, not otherwise prohibited from playing.

B. Prizes with a total value of more than $5,000 will include an additional amount added to the stated prize value to cover the taxes the recipient will owe on that prize ("gross up") so that jurisdictions are not required to collect federal or state taxes before awarding the prize. Eligibility will also be governed by the Prize Awards section above.

4. ENTRY**

A. A Player may participate in the Powerball Xs & Os Promotion by creating or having an Account as described above, logging into their Account, providing all required registration information in its entirety which will be verified to ensure eligibility and age requirements, and manually entering or scanning the required Eligible Ticket information when prompted.

B. Each Play on an Eligible Ticket entered will receive a designated number of Points that can be used as an Entry or Entries into additional Drawings for a chance to win a prize. A Player may enter more than once; however, a Player may use only one (1) unique Eligible Ticket number or barcode per Entry. Multiple scans or manual entries using the same Eligible Ticket serial number or barcode, and scans and manual entries made via automated computer scripts or other programming techniques will result in respective Player Accounts and all Points therein being disqualified at MUSL's sole discretion.

C. Each Entry must correspond to only one (1) person. Players with an Account can enter multiple Eligible Tickets.

D. An attempt to electronically submit an Eligible Ticket that has already been submitted will generate an error message informing the Player that the Eligible Ticket has already been submitted and may not be resubmitted.

E. Ineligible entrants are the following people:

1. A Selling Lottery employee, officer, director, board member, or commissioner.
2. Employees of a Selling Lottery's central gaming system vendor(s), as each Selling Lottery may designate.
3. An employee of the Multi-State Lottery Association.
4. Other people as each Selling Lottery may designate.
5. Any person residing in the same household as an individual described in 1, 2, 3, and 4 above.

F. MUSL and the Selling Lotteries are not responsible for the following events: delayed, lost, or misdirected electronic, mailed, or any other types of submissions as may be allowed by a Selling Lottery; connectivity issues involved in the Player's access to the Powerball Official Website or Powerball Official App; or data entry errors by Players.

G. A Player who submits an Entry is responsible for providing their correct contact information and U.S. Postal Service mailing address. Prizes must be Claimed and, if applicable, any debt offsets are satisfied as determined by the procedure noted above, within the Claim Period or will be forfeited. The Claim Period for each Drawing will be stated in the description of the Drawing in which it is entered.

H. An Entry for a ticket(s) determined by MUSL or the Selling Lottery to be in a stolen status will be disqualified and will not be considered an Eligible Ticket.

I. If a Player has deleted their Account, any Points earned or Entries submitted before the Account was deleted will not be eligible for any Promotional Prize. Any Eligible Tickets a Player has entered before deleting their Account are not allowed for re-entry should a Player establish a subsequent Account.

J. By participating in the Powerball Xs & Os Promotion, Players agree to comply with these rules, any additional rules required by the jurisdiction in which they purchased the Eligible Ticket, and the decision(s) of the Selling Lottery regarding award or fulfillment of any prize won in the Powerball Xs & Os Promotion. For the avoidance of doubt, the Selling Lottery's decision regarding eligibility and prize awards will be final and binding in all respects.

K. An Entry will be considered invalid if it does not meet all requirements for eligibility provided in these rules.
